Dear All,

As requested during today's call, please find the letter from the Kern County Board of Supervisors to EPA Administrator McCarthy, attached. EPA's response is also attached in two separate files: Letter dated April 9, 2015 and the enclosure dated March 9, 2015.

Further, we omitted a question during our call today. At your earliest convenience, would you kindly update EPA on the status of the May 15, 2015 deliverable pertaining to cyclic steam wells; specifically, revising Enclosure B to incorporate these wells, providing a schedule for completing the review of these wells, and submitting proposed aquifer exemptions, as applicable.

Thank you.

Sincerely,

Michele Dermer
